See what is being planned for this neighborhood!

Over the last six months, residents & groups have worked with the Detroit Planning & Development Department to propose potential projects for streets, houses, parks, businesses & more as part of the Cody Rouge & Warrendale Neighborhood Framework. Now come see what they have come up with & let city government know your priorities.

- + Free & open to humans of all ages!
- + Child care provided & refreshments served!
- + Learn about the Neighborhood Framework!
- + Meet young people, resident groups & professionals working with city government for a better neighborhood
